Examiner:

Title: **MOVING VIEWPOINT WITH RESPECT TO A TARGET IN A
THREE-DIMENSIONAL WORKSPACE**

Honorable Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Supplemental to the Information Disclosure Statement dated April 16, 1991, the Supplemental Information Disclosure Statement dated November 25, 1991, and the Second Supplemental Information Disclosure Statement dated April 24, 1992, applicant submits herewith information of which it is aware, which it believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Third Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. No certification or fee is required.

This Third Supplemental Information Disclosure Statement is not intended to constitute an admission that any information referred to herein is "prior art" in relation to the claimed invention unless specifically designated as such. In accordance with 37 CFR 1.97(g) and (h), the filing of this Third Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that the information submitted herewith is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

A list of the enclosed item is set forth on the attached one page of Form PTO-1449. The relevance of the listed item is set forth below.

Smith et al., US-A 5,107,443, describe shared workspace techniques. Col. 5 lines 12-18 describe teleporters, selectable display objects that can be paired so that when a user selects one of a pair of teleporters, the part of the shared workspace around the other of the pair is presented on the user's display. Col. 11 lines 1-7 describes navigable workspaces. Teleporters are described in more detail at col. 22 line 1-col. 23 line 4 in relation to Fig. 12.

The Examiner's attention is also drawn to applicant's related Application Nos. 07/488,587; 07/562,048; and 07/770,196 and the claims and information submitted in relation thereto.

Applicant requests that the Examiner consider the item set forth above and make it of record in this application.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "James T. Beran", is written over a horizontal line.
